connecting the future

# TV solutions

In-room hospitality segment

## Are you sending the right signals to your guests?

Imagine a TV system that provides the right channels, in HD quality to all rooms at the same time without manual updates. And with a minimum of maintenance.

TRIAX® is a leading provider of TV Hospitality Solutions suitable for new hotel builds and refurbishments. Our solutions are also designed for care homes, hospitals, education, housing associations and sports stadiums.

The flexible system works well on both coax and IP infrastructure and is easy to install.

### Hoteliers
